- For Fair Market Value (FMV) and \$1 purchase option transactions from \$1,000 to \$500,000.
- For applications received by 06/30/23 and funded by 07/31/23.
- Finance your total solution, including hardware, services, peripherals and software.

Fair Market Value (FMV) and \$1 Purchase Option Leases

Maximize your purchasing power with our lowest cost option. An FMV lease offers lower monthly payments than loans or lease-to-own financing. Think of an FMV lease as a rental. You have the flexibility at the end of the lease term to return the equipment, continue leasing it, or purchase it for the fair market value.

In a \$1 Out Purchase Option lease, you own the equipment. It is a good option when you are confident you will use the equipment for an extended period beyond the finance term.

Both lease types have merits depending on your needs. We can help you determine which option will best meet your technological and budgetary goals. .
